"This Declaration may be a witness to the greatness of faith in God that unites divided hearts and elevates the human soul; this Declaration may be a sign of the closeness between East and West, between North and South, and between all who believe that God has created us to understand one another, cooperate with one another and live as brothers and sisters who love one another. This is what we hope and seek to achieve with the aim of finding a universal peace that all can enjoy in this life." Excerpt of the human fraternity document.
